

Real Estate Donation Program

Donating Real Estate has a lot of benefits. Not only are you able to rid yourself of unwanted property, you may also be able to receive a realization of a sizable/immediate, 5 year or life time tax deduction. Wouldn't it be wonderful to know that the proceeds of your property would allow you to benefit an organization such as Three Sides to Every Story, Inc. as well as benefit yourself with tax deductions?

Real Estate investing is about making money through the business of buying and selling properties. On occasion investing in a property does not always allow you to turn a profit. That is when you can consider donating your Real Estate to our charity.

Mission Statement

Our mission at Three Sides to Every Story is a very simple one. "Unity" for children and their families after divorce or separation is our goal.

Our founder found herself in the middle of the battle of her life when her son lost his children through divorce. The lies and fraud that were committed to keep these children away for eight very long years was something she did not want to relive...for she herself is the product of the same abuse and deception as a child.

We strive to bring awareness to the plight of the children and their families.

No child deserves to go to bed at night with the feeling of not being loved by both parents and both sides of grandparents and all of their extended family.

Our goal is to educate not only both parents, but to bring awareness to all those that help make the laws of our land.

"Children Need Both Parents"

and by all means

"They Deserve to Have Loving Grandparents"

REAL ESTATE DONATION PROGRAM

You may ask yourself, why should I donate my Real Estate property to Three Sides to Every Story, Inc instead of selling. Well what you may not know is sometimes the financial benefits of donating can outweigh the benefits of selling.

A few things to consider when deciding to donate:

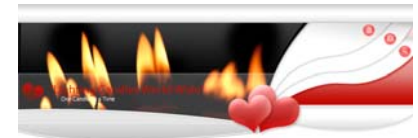

- There is no haggling with buyers or agents.
- You can improve your Real Estate Portfolio by donating properties that are not generating any funds or have been idle for a period of time.
- The size of the tax deduction is determined by the fair market value of the property, not to selling price.
- You will feel great about having your donation benefit such a good cause.

If making a Real Estate donation sounds like something you would be interested in please visit the fundraising section of our website for contact information or call our officer at (706) 885-9022.
