WHAT WE DO

Three Sides to Every Story, Inc. is a recognized 501(c)(3) non-profit organization that's sole purpose is to spread awareness of the need for family ties after divorce. Here are some services we provide:

1 . A wealth of information. Three Sides to Every Story, Inc.'s website is a vital tool to anyone dealing in the family court systems. We list peoples experiences, the affects it has on children, and a forum for people to express their views.

2 . DCRally. The DCRally is an annual Three Sides to Every Story, Inc. LaGrange, Ga. - Children Need Both Parents, Inc. Grand Rapids, Mi. and ACFC, Washington DC, sponsored event that is held in Washington DC used to spread awareness of the affects from dividing families through the family court systems.

3 . Lighting Candles World Wide is another annual Three Sides to Every Story, Inc. sponsored event held on December 18th to help loved ones cope with being separated from each other during the holiday season and on April 25th in commemoration of Parental Alienation Awareness day, which was proclaimed by Gov. Sonny Perdue for 2008. Each of these events is held on an annual basis.

THREE SIDES TO EVERY STORY, INC.

Mission Statement.

Our mission at Three Sides to Every Story is a very simple one. "Unity" for children and their families after divorce or separation is our goal.

Our founder found herself in the middle of the battle of her life when her son lost his children through divorce. The lies and fraud that were committed to keep these children away for eight very long years was something she did not want to relive...for she herself is the product of the same abuse and deception as a child.

We strive to bring awareness to the plight of the children and their families.

No child deserves to go to bed at night with the feeling of not being loved by both parents and both sides of grandparents and all of their extended family.

Our goal is to educate not only both parents, but to bring awareness to all those that help make the laws of our land.

"Children Need Both Parents"

and by all means

"They Deserve to Have Loving Grandparents"

Mission Statement for Lighting Candles

It is our belief that children need both of their parents and deserve their loving grandparents.

We believe that all children have a right to both of their fit and loving parents as well as all of their loving grandparents and extended family.

We plan to bring awareness to this issue by lighting the whole world, one candle at a time.

Our plan is to light candles in every town in every state and in as many countries as we can reach, on the same day at the same time.

We hope you will join us in our efforts.
