

3 Sides to Every Story

"Please Tell My Daddy I Love Him"

"Children Need Both Parents"
and by all means
"They Deserve to Have Loving Grandparents"

Hello, my name is Bessie Hudgins. I am the founder/president of Three Sides to Every Story, Inc. I would like to thank you for taking the time to read our information. I hope you will be able to find help and comfort from all of our research.

Traveling down the road to get to this point has been a very treacherous and bumpy ride. I would like to invite you to become a part of this growing organization.

We are parents and grandparents that have lost precious children from our families. We are honorable parents and grandparents and believe that our children deserve access to all of their family.

As the weeks and months have passed, we have learned an enormous amount of information that we want to pass on to you. We hope to bring you comfort, but most of all we want to help you help yourself.

In the coming weeks we will be offering the following free workshops:

HOW TO

- How Not To lose your children after your family separates
- How Not To lose your children by getting behind in child support due to injury or becoming unemployed
- How Not To use your children as pawns in your separation from your ex
- How To help your children cope with Divorce
- How To make the most of your visitation time
- How To handle the stress of going through a Divorce with or without children

I would like to thank you again for reviewing our information. It is my hope that you will come join our efforts to spread awareness and help those in need.

Sincerely,

Bessie Hudgins
