**CHRISTMAS CANDLE LIGHT VIGIL - LAGRANGE, Ga.**  
*Bessie Hudgins*

We would like to invite you to attend the first annual "Light - A - Candle" Vigil on the square in downtown LaGrange, Ga.

We have a small stage...a singer to sing carols...and Mr. and Mrs. Clause. We are lighting candles for children of divorce and their families as well as grandparents are missing their grandchildren terribly. Grandparents and the kids have very little say in a situation they did not create, but it pulls very loving families apart and especially at Christmas.

If you would like for us to light a candle in your child's or grandchild's honor...please send us the first name of the child, their age, the state they live in and the name of the person submitting.

This will be on the square in downtown LaGrange, Georgia. We will be decorating the whole square. We will be taking pictures and videoing the event as well. Right at 7:00 PM will start calling out the names of the children that we are honoring and lighting the candles. Dedicated people will be placing the candles around the square as we call out the names. Those in attendance will also be lighting candles.

Anyone that would like to have a child and the family honored on this very special day...please send the first name of the child, the age and state where they live and the person submitting to [three3sides@aol.com](mailto:three3sides@aol.com)

If any of the above information you need to leave out...feel free to do so. Our only goal is to bring attention to all the very special children that have lost parents and grandparents, etc. due to separation of the parents and the unwilling family courts to see that these children have a right to both sides of their family.

If we have to call out names all night to get them all honored we will do so.

Anyone living in or around our area and would like to attend...please let me know so I can be looking for you. Anyone that would like to come and help, we will be grateful, just let us know so we can be watching for you as well.
